EDUCATION

CSE(AI & ML)

Narula Institute of Technology - B.Tech 2021-2025
• CGPA: **7.192**

WBCHSE (Science)

Egra Jhatulal High School - 10th + 2 2019-2021
• Percentage: **94.6%**
• **96** in Mathematics

WBBSE

Gyandeeep Vidyapith - 10 th 2019
• Percentage: **88.27%**
• **100** in Mathematics

PROJECTS

- **Flight Price Prediction** July 2024 - Present
- **Credit Card Default Prediction** (Group Project) June 2024 - Present
- **Stock Market Predictions Using Linear Regression** June 2024
- **Heart Disease Prediction Using Logistic Regression** June 2024
- **Image Organization using Facial Recognition** (Academic Project) May 2024
- **Movie Ticket Booking System** (Academic Project) February - March 2024
- **Seattle Weather Prediction** (Academic Project) February 2024

SKILLS

- **Programming Languages:** Python, JavaScript, C
- **Expertise & Learner:** Machine Learning
- **Analysis and Visualization:** Matplotlib, Plotly, NumPy, Pandas, Scikit-Learn
- **Web Development:** HTML, CSS, Bootstrap, JavaScript, React.js, Node.js
- **Databases:** SQL, MongoDB
- **Platforms:** VS Code, Jupyter Notebook, Google Colab, Kaggle, CMD

CERTIFICATES

- **Machine Learning with Python (with Honors)** [↗](#) 2024
- IBM
- **Full Stack Development** [↗](#) 2024
- ARDENT
- **Responsive Website Development and Design Capstone** [↗](#) 2023
- Goldsmiths, University of London

- **30 hours Training Programme on Python Programming**  2023
 - Euphoria
- **Object-Oriented Data Structures in C++**  2022
 - University of Illinois at Urbana-Champaign

LANGUAGES

- English Fluent
- Hindi Fluent
